

# Kite Pattern Match

## What You Need:

Wallpaper scraps  
Scissors  
File folder  
Clear contact paper  
Kite shape (for tracing)  
Ziploc bag

## What You Do:

Make and glue 8 kites on the inside of a file folder. Do this by tracing kite onto wall paper scraps and cutting out. Draw on the tails. Cover file folder with contact paper for durability. Make 8 identical kites and cover with contact paper. Cut out and place in Ziploc bag. The child matches the kite shapes of similar patterns.
